2: You're arriving in your car, the only gap you see by far.
But damn, the spot is just too small. Some centimetres, that is all!

Don't surrender! Call a Hero! 0-8-1-sends Jiggle Jessy on her way!

When the cupboard is locked 'cause of a measuring cup.
You need a little jiggle to loosen things up.
You want to find a way to make problems disappear.
That's why she's here!

Chorus:

No! You can do it on your own. You don't need a Hero just give it a try.
Show to everyone what you can do! You're the real Hero, we believe in you!

3: Your castle is still a mess, 'cause renovation is no success.
It is not going as we planned. Ev'rything went out of hand!

Don't surrender! Call a Hero!
123 and Constructor Chick
will lend a hand!

It fixes anything be it big or be it small.
The chapel, kitchen, tower, even this big hall.
You want to find a way to make problems disappear.
That's why it's here!

Chorus
