Here in Ja - pan the high est creed: De - cen - cy - y; That's what you need!

Fool - ish stran - gers ne - ver un - der stand: This is not your land!

Ev - 'ry bow they take with - out re - spect, be - ing al - ways way too loud!

Don't for - get a - dress us ne - ver too di - rect. This is what it's all a bout!

We li - ve in peace: Per - fect life. These ships will cause chaos and strife!

We wi - il de - fend o - ur way of life. These ships will cause chaos and strife!

2. Here in Japan the finest creed: Self Control; That's what you need!

The key to life in perfect harmony, just always agree!

You struggle and fight unceasingly, feeling brave and very strong.

unlike us you don't have much energy, yet; your noses are quite long...

3. Here in Japan the simplest creed: Taste in food; that's what you need!

Ev'ry know and then a little snack, if it's good - you smack!

Your favorite meal is loads of meat, that's for us no proper dish.

If you can't decide on what you want to eat, we will serve you Fugu fish.
